Featured Marianist Mission

Another recipient of money collected for Marianists abroad this Lent will be the Marianist Sisters' Health Clinics in Kpatchile, Togo, West Africa and Singhpur, Jharkhand, India. Chaminade Health Care Center in India was dedicated in September 2012 to serve the students and families of the rural parish and the Marianist School. In October 2011, the Marianist Sisters opened a Rural Health Care Center in Kpatchile, Togo outside of Kara. Part of its mission is to provide maternity and well-baby care for people who previously had no medical assistance. The Sisters need help raising Sr. Ann Martine's salary and that of the other medical personnel who serve the rural poor.

Lighthouse Retreat

To me Lighthouse is the place where I finally understood what it meant to believe not only in those around me but ultimately in myself. Lighthouse was where I found God when I felt the most lost. People who are retreat veterans will tell you time and time again that the best decision they ever made at the University of Dayton was taking the leap of faith to go on a retreat. For me however, I wouldn't see the change that Lighthouse would bring until 6 months later. When I did I was amazed at the growth I had made by just trusting the way I was told to in my time spent at Glen Helen. The most powerful thing Lighthouse offers is its ability to stay with you well after you leave that crazy weekend behind.

When I went on Lighthouse, I didn't know anyone that was there. I had no friends to fall back on to make sure I was making a good choice. I felt a push from God to take a leap of faith and I am so thankful everyday that I did. From that leap, I learned how to believe in myself, and I began to understand that all storms matter whether small or large. Be bold and take the weekend away from campus whether its for Lighthouse or one of the many other awesome retreats campus ministry has to offer! So if you have the chance to take the leap—do it. You will be so grateful that you did.

Anointing of the Sick

Tuesday, March 8 at 5pm in the Chapel

I recently had a family member who was about to have major surgery and when I asked if she wanted to be anointed (as in the Sacrament of the Sick) she exclaimed, "I'm not dying!" This was true, but a common misunderstanding of the purpose of this Sacrament. People are anointed with the Oil of the Sick to receive a special grace of healing and comfort, and to invite God into this process. This may occur when a person has an upcoming surgery, received a difficult diagnosis, or is experiencing ongoing health struggles. No one needs to share their affliction to be anointed and a person may be anointed multiple times in their life. All are welcome.
